## About

Busy working in a hospital with people. Her dogs are coupled up at home all day. She would like her dogs to be able to run around have fun with other dogs after work.

Uses apps for everything

## About

At computer all day working.

Relishes his the time he gets to step away from the screen, and hang with his chill boxer Gravy. Would like to meet other dog owners who have chill dogs that just want to run around and play with Gravy.

Looking for a simple app.
